III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

INSURANCE / LIABILITY

The riders taking part in the competition are informed by the organizers that the guard service of the event does not concern horses, vehicles or equipment owned or entrusted to them. Therefore, and throughout the duration of the competition, their staff and their horses, equipment and vehicles hereinafter referred to as "goods" remain under their own care. They are therefore fully liable for all damages, whatever their origin and nature, which may occur to their property as well as any damage that may be caused to third parties because of their property. The risk of fire, loss and damage remain entirely the responsibility of the participant. Embarkation or disembarkation operations or any other similar operations shall be carried out for the account, at the expense and risk of the participant. The same applies to damages, whatever their origin and nature, suffered or caused by personnel and auxiliaries and, in general, by any person offering them assistance in any capacity whatsoever. As a result, all participants must provide for the supervision of their property for the duration of their presence on the contest and ensure that their personal insurance, including liability, automobile, individual accident, illness, all risks, mortality, etc.. ... are valid and cover the various risks to which they are exposed as a result of their participation. It is understood that the structure of Haras de Jardy (FFE 9243002) and Gotequi (FFE 9242000), its commissioners, arbitrators, salaried employees or not, intervening for whatever reason, will in no way be held responsible for damages may occur to participants, their person,

and their property, in case of accidents, diseases (including epizootic) and other damage to horses or caused by them to third parties. In case of reservation of dismantlable boxes, the participant declares to know this type of installation, to accept the inherent risks, as well as to exercise appropriate supervision, all under its sole responsibility. As a result, participants formally waive any recourse against the organizers and their insurers.

ASSURANCE-RESPONSABILITE

:

Les cavaliers participant au concours sont informés par les organisateurs que le service de gardiennage de la manifestation ne concerne ni les chevaux, ni les véhicules, ni le matériel appartenant ou confié à ceux-ci. De ce fait, et pendant toute la durée du concours, leur personnel ainsi que leurs chevaux, matériels et véhicules ci-après dénommés "biens" restent sous leur propre garde. Ils sont donc entièrement responsables de tous les dommages, quelles qu'en soient l'origine et la nature, pouvant survenir à leurs biens ainsi que de tous dommages pouvant être causés aux tiers du fait de leurs biens. Les risques d'incendie, les pertes et les dommages restent entièrement à la charge du participant. Les opérations d'embarquement ou de débarquement ou toutes autres opérations similaires sont faites pour le compte, aux frais, risques et périls du participant. Il en va de même pour les dommages, quelles qu'en soient l'origine et la nature, subis ou causés par le personnel et auxiliaires et, d'une façon générale, par toute personne leur offrant un concours à quelque titre que ce soit. En conséquence, tous les participants doivent prévoir la surveillance de leurs biens pendant toute la durée de leur présence sur le concours et veiller à ce que leurs assurances personnelles, notamment Responsabilité Civile, Automobile, Individuelle Accident, Maladie, Tous Risques, Mortalité, etc. ... soient en cours de validité et couvrent bien les différents risques auxquels ils se trouvent exposés du fait de leur participation. Il est bien entendu que la structure du Haras de Jardy (FFE 9243002) et Gotequi (FFE 9242000), ses commissaires, arbitres, personnels salariés ou non, intervenant à quelque titre que ce soit, ne pourront en aucun cas être tenus responsables des dommages pouvant survenir aux participants, à leur personne, et à leurs biens, en cas d'accidents, de maladies (notamment épizootiques) et autres dommages survenus aux chevaux ou causés par eux à des tiers. En cas de réservation de boxes démontables, le participant déclare connaître ce type d'installation, en accepter les risques inhérents, ainsi qu'à y exercer une surveillance adaptée, le tout sous sa seule responsabilité. De ce fait, les participants renoncent formellement à exercer quelque recours que ce soit contre les organisateurs et leurs assureurs.

3. STEWARDING (Only for Jumping test of the Eventing competition, as per FEI Jumping rules)

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Championships, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
 - This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1)
